Marsden DS-502:

A portable Class III approved swab and general purpose scale

The Marsden DS-502 is a IP65 rated scale. This Class III general purpose and swab scale is available in many capacities and graduations with 6kg being the most popular choice.

Weigh with ease

The DS-502 is designed for daily use in hospitals and theatres. It is the ideal scale for weighing anything from body organs to urine.

The design is lightweight and compact with a stainless steel top plate, that can be wiped down to keep hygienic.

Three easy to use function keys on the front of the scale make weighing quick and easy - and because it's Class III you can be assured of its accuracy.

Easy to read display

Wipe down IP65 rated casing

Portable

Powered by 4 x C-size batteries which provide over 1000 hours' continuous use this scale is truly portable as it can be used absolutely anywhere, regardless of where the nearest plug socket is. An AC adaptor is also supplied to power the scale.

The DS-502 is lightweight, and has a large easy to read LCD display making it easy to read in all environments.

With a rating of IP65 this scale can be cleaning using a damp cloth without damaging any of the inner mechanisms.

Built to last

Like other scales in the Marsden range the DS-502 is built to last. It comes with a full two year warranty, and for extra peace of mind can be backed by a full service contract.
